

Doctor of Ministry Degree Program Cost Estimates*

***These costs are approximate for an entire program at Bakke Graduate University and incorporate projected tuition increases over the next few years. They are only estimates and not exact but can give you a rough outside estimate for the total program cost. The **Additional Estimated Expenses** are estimated high and reflect costs for students who live outside of the United States and/or those who will be taking courses that require more travel and lodging. Therefore, these will be variable depending on the location of a student and course choices.*
