

Fresno, CA

JESUS IN FRESNO:

Can anything good come from Fresno?

COME AND EXPERIENCE

- the city with the highest concentrated poverty of any city in the nation,
- the city that came in dead last in terms of education, employment and poverty as measured by the recent Human Development Report
- Billy Graham called Fresno "the most connected city in America" because of the collaborative ministry relationships that have been forged in a climate of desperation

JESUS IS HERE. Come taste and see the unique, transformational power of the Gospel in Fresno's unique context of concentrated poverty.
